Additional Events Awaiting Final 2027 Dates

The following recurring or announced events should remain under review as organizers publish their 2027 schedules:

- Bali Wellness & Beauty Expo – wellness, cosmetics, personal care, health tourism, and hospitality
- Indonesia Economic Summit – investment, policy, infrastructure, digitalization, and economic development
- Indonesia Miner – mining, minerals processing, equipment, investment, and government policy
- Indonesia–Europe Business Forum – Indonesia–EU trade, investment, regulation, and business partnerships
- Travel Meet Asia Jakarta – tourism, hospitality, destinations, and travel technology
- BIFHEX Indonesia and BIFHEX HORECA – food, hospitality, restaurants, catering, and equipment
- Solar & Storage Live Indonesia and EVCharge Live Indonesia – these should be monitored as recurring annual event series, including editions after 2026

To be noted

Event dates, venues, names, and formats may change. Companies should confirm current information directly with the organizer before booking travel, accommodation, exhibition space, or sponsorship.

SwedCham Indonesia will continue monitoring relevant events, including announced exhibitors and speakers, with particular attention to Swedish companies and Swedish-linked participation.

SwedCham Indonesia

The Swedish Chamber of Commerce Indonesia is a member-driven, non-profit organization strengthening business, trade and professional relations between Sweden and Indonesia. SwedCham serves as a connector for Swedish companies operating in or entering the

Indonesian market — linking members to relevant networks, insights and partners across sectors.

- Introductions to relevant stakeholders
- Connections to trusted service providers
- Market insights and sector reports
- Peer learning from Swedish companies already operating in Indonesia
- Networking events and industry dialogues
- Access to EuroCham advocacy and working groups
- Connections to universities, talent and research ecosystems
